The screenshot shows a web browser window with three tabs: 'Untitled Project - Uizard', 'Untitled Project - Uizard', and 'Predict'. The address bar shows the URL '127.0.0.1:5000/predict'. The page has a blue header with a logo on the left and navigation links: 'Home', 'Features', 'Estimate', 'Team', 'Contact', 'Know Defaulter', and 'Initiate Training'. The main content area is white and features a 'Credit Card Default Estimation' form. The form has a title 'Credit Card Default Estimation' and a 'Submit Form' button. Below the title, there are input fields for 'Balance Limit', '*Gender*', '*Education*', '*Marriage*', 'Age', '*Repayment status in First month*', and '*Repayment status in Second month*'. To the right of the form, there is a box titled 'Credit Card Defaulter' containing the text 'Submit Form' and 'Kindly provide necessary information to estimate Credit Card Defaulter'.
